Sinclair Community College
Centerville Campus, Centerville, Ohio

OPENING CYBERSECURITY OPPORTUNITIES!

Cybersecurity careers and jobs keep growing and expanding. Community College Cyber Summit (3CS) is hosting a Career Exploration event to help you understand the field and learn about many and varied career opportunities. Cybersecurity 2- and 4-year students and recent graduates are invited to participate. You will have an opportunity to talk to professionals in the field about careers and jobs, and attend conference sessions specifically geared towards students to learn about advancements in the field. 3CS will be held November 5-7, 2021.

WHO WILL BE THERE?

Regional and national companies, government agencies and universities will share their opportunities for careers, advancement, and jobs with attendees. Additionally, over 400 college faculty and workforce development professionals from across the nation will be present.

WHY SHOULD YOU ATTEND?

- Discover a variety of cybersecurity careers and job opportunities
- Learn about the developments in the field by attending 3CS sessions
- Meet cybersecurity professionals to discuss skills and opportunities
- Meet peers and faculty to learn about different education programs
